

**KIRKLEES COUNCIL
(TRAFFIC REGULATION) (No. 13) ORDER 2023**

BOND STREET, DEWSBURY

Statement of reasons for proposing to make the Order

As part of the UK Government Towns Fund Project, it is proposed to widen the footway on Bond Street to improve pedestrian movements to and from the rail station to the town centre.

It is anticipated these proposals will help improve accessibility for pedestrians through the area thereby helping businesses and facilitate growth and improve road safety for all road users.

The Council is proposing to install 24-hour loading bays to facilitate local businesses and help compensate for any loss of provision.
