

KIRKLEES COUNCIL (TRAFFIC REGULATION) (NO. 11) (EXPERIMENTAL) ORDER 2021

WARREN STREET & CHAPEL STREET, SAVILE TOWN, DEWSBURY
ONE WAY

REASONS FOR MAKING THE ORDER

Following complaints from local residents and Ward Councillors regarding road safety and congestion issues it is proposed to introduce an Experimental One-way Traffic Regulation Order to Chapel Street and Warren Street, Savile Town, Dewsbury.

- Chapel Street One way traffic movements will be permitted along Chapel Street from its junction with South Street to its junction with Warren Street, a distance of 97 metres.
- Warren Street One way traffic movements will be permitted along Warren Street from its junction with Headfield Road to its junction with South Street, a distance of 213 metres.

It is believed these measures will improve traffic flows and road safety for all road users travelling through the area.
