

# Priority matrix for applications made under schedule 14 of the Wildlife and Countryside Act 1981

## Criterion 1 The application route

| Factor | Description  | Points |
|--------|--|--------|
| 1.1    | adds a missing or strategic link to the PROW network   | 1      |
| 1.2    | contributes significantly to ROWIP priorities/ objectives  | 1      |
| 1.3    | a route that provides access for a wide section of the public  | 1      |
| 1.4    | provides a safe alternative to a road for users  | 1      |
| 1.5    | route is threatened by development works or other activities that may cause it to be destroyed or obstructed                 | 2      |
| 1.6    | enables users to link to other parts of the wider transportation network   | 1      |
| 1.7    | is historically important, scenically interesting, is, or provides a link to, a national trail or an important leisure route | 1      |
| 1.8    | one point to be deducted for each of the lower priority categories   |        |
|        | a) that are not in the public interest for example, because of safety issues   | -1     |
|        | b) for downgrading   | -1     |
|        | c) for deletion  | -1     |
|        | d) where a suitable PROW already exists and is well used   | -1     |

## Criterion 2 Application evidence

| Factor | Description  | Points |
|--------|--|--------|
| 2.1    | weak application - less than 6 evidence forms, little other evidence                                       | 0      |
| 2.2    | fairly robust - 6 to 15 evidence forms, several items of other evidence                                    | 2      |
| 2.3    | strong application - 16 or more evidence forms, extensive amount of other evidence or common law           | 4      |
| 2.4    | one additional point to be added if both the user evidence and other documentary evidence are high quality | 1      |

## Criterion 3 Other relevant factors

| Factor | Description  | Points |
|--------|--|--------|
| 3.1    | associated with definitive map and statement anomaly                                       | 1      |
| 3.2    | potential to secure the co-operation of the landowner to register the route by other means | 1      |
| 3.3    | high proportion of witnesses of advanced years   | 1      |
| 3.4    | age of application - 1 point for each complete 5 years, maximum 4 points                   | 1 to 4 |

**total (minimum total score is zero) 20**

### Note

The 'other evidence' referred to in Criterion 2 includes 'documentary and/or historic evidence'

## Directions from the Secretary of State at DEFRA received under schedule 14 (3) 2 of the Wildlife and Countryside Act 1981

| File | Name                    | Location       | Parish or Ward | Direction | To be determined by | Progress                | Resolution       | Date of resolution |
