- Holmfirth High School
- Honley High School

Overview: Table B on page 224 and the chart on page 222 illustrate that the future year 7 cohort sizes of young people resident in this planning area are expected to continue to decline.

Holmfirth High School and Honley High School are popular schools accommodating pupils from other planning areas where parents express a preference.

In 2022/23 at national offer day all places at both Honley High School and Holmfirth High School were allocated

In 2023/24 at national offer day all places at Holmfirth High School were allocated and there was one place unallocated at Honley High School. Additional capacity was added as a bulge year in this planning area, with each of the two schools offered an additional 15 places over PAN. Post-national offer day, but before the initial round of reallocations, a further three bulge places were introduced at each school taking the number of places offered at Holmfirth High School to 282 and at Honley High School to 273. This bulge helped to manage a single year localised population peak which aligned with wider pressures across South Kirklees.

The pattern of pupil distribution illustrates that around 88% of children who live in this planning area attend schools in the area, whilst 4% are securing places in neighbouring planning areas. 22% of pupils attending school here are from neighbouring planning areas.

For 2024, 2025 and 2026 population data suggest that, from a small peak in 2023, basic need demand for places from those living in the planning area will continue to steadily decline. There are more places available than the numbers of pupils living in in this planning area, therefore, there will remain sufficient places available even when future house building is taken into account. There are two housing development sites in the area where building is underway, totalling approximately 150 dwellings which are expected to be completed in 2024. There is also a development where building has not yet commenced on 137 dwellings. There is no need for additional places.

Tables E(i) to E(iii) below show how Year 7 places were allocated in this planning area at each of the last three National Offer Days, compared to the number of Year 7 places available at each school and the number of applicants resident in each school's Priority Admission Area (PAA). Blanks in the tables indicate a school does not have a PAA.

Table E(i)

Holmfirth High School and Honley High School each offered an additional 15 bulge places over PAN.
