Notice is hereby given that an application has been received by Kirklees Council to stop up alleged claimed routes at Kenmore Drive, Milton Terrace and Rooks Avenue, Cleckheaton and provided alternative public footpath routes. The Council is in receipt of a Definitive Map Modification Order Application (DMMO) to record public footpaths on the area of land shown on the plan. Alternative public footpaths would be included in the order and provided in line with the development proposals. The order would stop up any public rights over the claimed routes and the tread line routes and create new public footpaths over the alternative routes.

Details of this application will be included on the Council website at <https://www.kirklees.gov.uk/beta/countryside-parks-and-open-spaces/changes-to-definitive-map.aspx>

Please note that this Notice forms part of the preliminary consultation exercise on the applicant's proposal and that no decision on the diversion application has yet been made by the council. An explanatory statement has also been prepared.

Please send any comments on this application to Public Rights of Way at the address below, or by email to publicrightsofway@kirklees.gov.uk by 17 May 2021.
