Subject: 2020/93308 Planning Application for Lidil New Hey Road - Support
Date: 14 October 2020 15:59:02

Hi

Just like to write informing you of my support regarding planning application for New Lidil supermarket (New hey road)

I believe this will be good for the local economy, provide jobs and most important provide much after local competition when residents can choice where to do local food shopping

I hope local council will take on the views of local residents and make sure this gets passed quickly

Thanks
