<p>This site has been a disgrace for a very long time and the last thing we need in this area is more housing with no extra facilities. Sainsbury's is too expensive therefore we have to travel to the other side of town for shopping. It is at least using an eyesore site unlike the mass of housing all round this area that has destroyed our green fields. I think this super market will bring a benefit to local residents with better choice cheaper prices and jobs.</p> <p>I fully support the proposals by Lidl the sooner the better.</p>
