<p>I think a low cost supermarket in this location would be beneficial to the area. A massive amount of new housing has been built in the area so there is plenty of scope for new retail provision without impacting the existing facilities at salendine nook.</p> <p>We used to live at the entrance to Dunsmore Drive opposite the proposed site and know that the current state of the site is an eyesore and before Lidl's hoarding went up attracted a lot of antisocial behaviour, arson etc so the sooner this prominent site is redeveloped the better.</p>
