<p>We would like to give our support in the planning application for Lidl at Salendine Nook. There has been hundreds of new houses built in this area over the last few years and these people need somewhere to shop. Apart from the Sainsbury's store there is no other place to shop unless we go into town or the other side of town ie Morrison's at Waterloo. Trying to park at Sainsbury's in the busy period is a nightmare with not enough parking places and it becomes quite hazardous on Moor Hill Road with an accident waiting to happen. A new Lidl store will take some pressure off this problem.</p> <p>A new Lidl store will not affect the Salendine shopping centres shops ie. the chemist,dentist,charity shop,cafe,flower shops etc. The only place it is likely to affect is Sainsbury's but they are a large enough company to withstand some competition.</p> <p>When the petition was submitted against the plans it was not a true reflection on the amount of objections, I personally was asked at least half a dozen times to sign and hundreds of students from Salendine Nook High School and New College we're asked to sign as someone was constantly stood outside the store asking everyone to sign.</p> <p>Please do the right thing and give the residents of Outlane,SalendineNook,Oakes,lindley the choice of where we shop locally.</p>
