<p>I fully support this second application, as we need more selection of such stores in our local area, which is currently dominated by Sainsburys.</p> <p>The car parking at the Salendine Nook Shopping centre is unacceptable, as the old site is land locked .</p> <p>An additional store would provide ourselves and local residents with an ideal opportunity for more more shopping options offering variety and better value for customers and flexibility, within walking distance.</p> <p>Also providing similar opportunities for residents of local new build properties.</p> <p>The Old Spotted Cow premises has been a constant eye sore for far to long, therefore this application should be approved as quickly as possible.</p>
