Dear Sir

My wife and I are strong supporters of the proposed Lidl store in Salendine Nook. As you are aware, a large number of houses have been built in this part of West Kirklees over the past few years leading to more people requiring local food shops. Lidl will provide a budget store alongside Sainsburys which is an upmarket store. There are ample shoppers for both supermarkets to prosper. Additionally the extra jobs will improve the local economy.

Yours faithfully
