<p>I am writing in support of the planning application made by Lidl for a new food store on the site of the former Spotted Cow public house, New Hey Road, Huddersfield. Approval of the Plans would enhance and compliment existing shopping provision within the locality which has seen significant recent housing development and a consequent increase in demand.</p> <p>Lidl have undertaken a period of community consultation and have received wide support for their proposals and I would urge the Council's Strategic Planning Committee to approve the revised planning application.</p> <p>The proposed development will provide a much needed shopping facility and will improve the character and appearance of the area whilst providing significant economic benefit in terms of employment opportunities for up to 40 new full and part-time jobs for local people.</p>
