<p>In my opinion I think the planning application should be accepted. This area is in need of another supermarket to serve the increased amount of housing that has developed over the past few years. I believe the local people should have another option , I believe there is plenty of custom to use both supermarkets. I don't believe it will be detrimental to the area. It will provide extra jobs to the area. It will relieve pressure on the car park at Sainsbury's . I don't believe the shopping centre will suffer as people will still use it, it has a dentist,doctors, hairdressers,cafe, pharmacy, phone repair shop as well as physio. Many people will only shop at Sainsbury's but some people like a choice and Lidl offers people a different option and shopping experience.</p>
