<p>I live a couple of miles down the road and would love to have a LIDL up the road. There is not one of the competitive supermarkets on this side of town and without a car it is difficult for me to get to one of the others. I think they offer healthy competition to the more traditional supermarkets and Salendine Nook, Lindley and Marsh are all highly populated areas that would benefit.</p> <p>Please approve this application for the benefit of all shoppers who would like a more well priced offer in the area. I do not believe the little shops in Salendine Nook shopping centre would suffer at all - they offer completely different services and products from Lidl. It might take away some custom from Sainsbury's but maybe they will cope and in any event many Sainsbury's customers may prefer the kudos from shopping there and customers may well prove loyal in any event.</p> <p>Please give the application careful consideration and approve it.</p>
