Subject: Proposed Lidl Store 2020/93308
Date: 26 October 2020 13:57:12

Dear Sir/Madam

I would like offer my support for the proposed new Lidl store in Salendine Nook.
I feel more shopping choice is needed in the area and would also be good to see the derelict site brought back to life.

I would personally welcome the chance of the new job opportunities it would create for local people like myself.
Regards
