<p>This supermarket will have a very positive impact on the community:</p> <ol style="list-style-type: none">1 Reducing carbon footprint of travel to other low cost supermarkets (freedom of choice)2 Development of the badly neglected site will provide visual improvement of the landscape on this major route into Huddersfield (first impressions of our town)3 Provide much needed local jobs, Lidl have an excellent employer reputation paying above minimum wage!!4 Refusal of Lidl's previous application appeared to be instigated by Sainsbury's who have a major monopoly in the immediate area (4 stores)5 On a personal level the plans include provision of accessible toilets, essential to many. These facilities are not provided by Sainsbury's in the nearby shopping centre so are a thoughtful addition to the plans.
