Address of the site or building:	Former Spotted Cow Pub, New Hey Road, Huddersfield, HD3 4BU
Postcode:	

## User comments

Type of comment: An objection
<p>The position of the proposed store in relation with the school and college is a big worry for the safety of children with added traffic on an already too busy main road, the entrance will be too close to zebra crossings and the entrance to houses above the site and the entrance to Dunsmore drive making it more difficult to exit our road. More noise pollution in the residential area with deliveries and opening hours are a concern, more traffic along with more pollution. It is not fitting with the area, people will block our road and driveways even more than they do already. If there is an Aldi further diwn the road there is no need for another store on this same busy road. There are preserved trees and protected species on this land which need to be taken into consideration too. I totally oppose the idea being a local resident.</p>
