<p>I am totally in favour of a Lidl store being built on the former Spotted Cow pub site. It would be great to have the choice of shops in the local area instead of having to travel further afield. Lidl offer great value for money which is desperately needed in the current climate whilst people are struggling, and it will create much needed job opportunities for local people.</p> <p>I fully support a new store being built and cannot wait to be able to shop there! The sooner the better!</p>
