Subject: Planning ref: 2020/93308 -New Lidl store on New Hey Road.

Planning Dept.

I am a resident of Celandine Avenue, just off New Hey Road close to where the planned Lidl store would be situated.

I want to voice my pleasure at this proposal regardless of the many opposing voices you have received.

We are pensioners and at the moment travel out of the area to shop at Aldi or Lidl where prices are cheaper. For us, and many like us this store would be a real benefit as it is within walking distance of our home. We have found that the products on sale are equally as good as those in the likes of Sainsbury which is our local shop. We could never afford to do our main shop there.

So we would be in favour of Lidl's plans to build locally.

Yours faithfully
