Subject: Planning application reference 2020/93308 proposed new Lidl Store
Date: 06 February 2021 11:31:40

Dear sirs

I am writing to express my full support for the proposed new Lidl store in New Hey Road, Huddersfield. I am a local resident, living less than a mile from the site.

At present, the only large(ish) store is the Sainsburys at Salendine Nook. This is fine, but the area really needs additional shopping facilities. Parking can be difficult at peak times and in any case, the car park is not ideally designed due to the lack of space. Also, prices at Sainsburys would benefit from the healthy competition that Lidl would bring.

I have studied the proposed new Lidl store plans and I feel that it would be a major overall benefit to our local community.
