I wish to give my support for the Lidl supermarket in Salendine Nook. I appreciate that Sainsburys is opposing the store being built, the Sainsburys store is not going to compete, the parking is horrendous & the stock isnt good enough to do a family shop. Many houses have been built in the area & currently everyone needs to travel to Elland, Halifax, Brighouse or huddersfield to shop. This adds on at least 40 minutes, if the traffic is not congested. The other opposition is for pupils from Salendine nook loitering, they currently loiter at various different outlets & Lidl sell good produce that could be purchased for lunch. Also it could be very handy for parents collecting pupils to pop in for supplies.
