Subject: Lidl New Hey Road planning application reference number 2020/93308
Date: 09 March 2021 20:27:41

Good Evening,

As a resident of Lindley, I think a Lidl is exactly what the community needs and would like to express my full support in favour of the development.

I hope the rest of the community are of the same opinion and we get to enjoy a decent, affordable supermarket soon- not to mention the generation of jobs at a time people need them most!

With a rising number of residents in the area following a number of new build developments on Crosland Road, I believe that the area has been crying out for such a plan for over three years now.
