<p>I object for several of the reasons listed in the list of valid planning matters impact on highway safety and traffic effect on neighbouring properties noise, disturbance and odour and I believe the land could serve a much better purpose Possibly more housing in the form of accommodation suitable for the elderly and a smaller retail hub the parking on Blackmoorfoot is already terrible, the visible road markings are constantly ignored and the rules never enforced anyway I can only see this issue getting worse if this development goes ahead and will extend onto the st Lukes estate probably best to just build housing  all the best</p>
