Subject: Ref: 2023/62/91405/W Planning Application -Lidl, Crosland Moor

Categories:

I would like to support the above planning application which has been submitted by Lidl.
The area is long overdue a local supermarket and the proposed site is convenient for all residents in the HD4 area.
Lidl offer competitive prices at a time of high cost of living

It will provide much needed local jobs, paying a fair living wage.
