<p>Hi Nick,</p> <p>Just a note to say I am in support. I live locally and this will be a welcome addition to the community in my view.</p> <p>Blackmoorfoot Road is busy so a good access / junction design required and plenty parking required within the site but can be compared to the stores in Thongsbridge that have worked well.</p> <p>The stone frontage is nice to see, a bit more local material would be good if possible and the borders could do with extra planting / trees etc. It would be nice to see some trees on the street frontage to lift the street scene on Blackmoorfoot Road as it is very urban at the moment and as much greenery on the frontage would really help soften the stark urban appearance and boost some ecological value.</p> <p>Cheers,</p>
