

**KIRKLEES COUNCIL  
(TRAFFIC REGULATION) (NO. 04) ORDER 2024  
TOWN HALL WAY, DEWSBURY**

**Statement of reasons for proposing to make the Order**

Planning permission and funding have been granted to improve the public realm around Dewsbury Town Hall, developing a more inviting streetscape, with greater emphasis on pedestrian movement and community space.

The proposals include:

- A prohibition of driving for Town Hall Way, adjacent to the existing Walsh Building carpark entrance, for all traffic except permit holders, at all times.
- Revoking of the existing one-way restriction on Town Hall Way

It is anticipated these improvements will create a more inviting and pedestrian focussed area between the town hall and the Walsh Building, in this heritage area of Dewsbury Town Centre.
