

KIRKLEES COUNCIL

ROAD TRAFFIC REGULATION ACT 1984 – SECTION 23

NOTICE OF PROPOSED CONVERSION OF A ZEBRA CROSSING TO A PUFFIN CROSSING

HOLMFIRTH ROAD AND SHEFFIELD ROAD, NEW MILL

NOTICE IS HEREBY GIVEN that Kirklees Council propose to carry out under Section 23 of the Road Traffic Act 1984, as amended, the following works at the following locations:

Puffin Crossing

A635 Holmfirth Road, New Mill

A proposed conversion of the existing zebra crossing to a puffin crossing on Holmfirth Road, New Mill. The centre line of the crossing is 41 metres north-west of the centre of the junction with Penistone Road, with associated zig zag markings extending 22m to the north-west and 22m to the south-east of the centre of the crossing.

Puffin Crossing

A616 Sheffield Road, New Mill

A proposed conversion of the existing zebra crossing to a puffin crossing on Sheffield Road, New Mill. The centre line of the crossing is 48 metres south of the centre of the junction with Penistone Road, with associated zig zag markings extending 22m to the north and 22m to the south of the centre of the crossing.

REASON: It is proposed to upgrade and convert the existing zebra crossings on Holmfirth Road and Sheffield Road to puffin crossings. This will provide dedicated and controllable pedestrian facilities, and with the use of new vehicle detection measures, better manage traffic exiting from Penistone Road.

The conversions from a zebra crossing to a PUFFIN type signal-controlled crossings will improve control of the flows of both pedestrians and vehicles. The existing crossing locations will remain unchanged as will the controlled area extents.

A copy of the plan showing the precise location of the proposed installations may be inspected and obtained:
