HIGHWAYS ACT 1980 – SECTION 90 A-F
West Park Road, Healey Lane, Deighton Lane, Trafalgar Street and Throstle
Nest, Batley**

Statement of Reasons for proposed measures:

Traffic calming measures for the installation of speed cushions, plateaus and thumps are being made for West Park Road / Healey Lane / Deighton Lane / Trafalgar Street / Throstle Nest, Batley alongside proposals to introduce 'No Waiting At Any Time' parking restrictions.

A traffic calming scheme has been developed in response to several recorded injury collisions and a community request. With the use of various traffic calming features it is intended that these proposals would reduce traffic speeds and would improve road safety for all road users.
